

Australian Wildlife Displays
Presents:

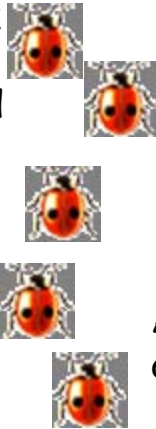

Bug Business

A close up look at the

Creepy Crawlies that live around us!

Come face to face with live stick insects, giant cockroaches, spiders, centipedes, crickets and other great Bugs from the bush!

A safe and fun way to introduce our wonderful wildlife to children

Positive interactions reinforce the value of conserving our natural environment.

In a one-hour, interactive Bugs experience, our qualified teachers encourage the children to develop a respect and appreciation for the needs of the animals and their habitats.

Cost:

- \$297 (incl. GST) for groups of less than 45 people.
- \$6.60 per head (incl. GST) for groups of more than 45 people.
- Shorter or longer shows with customised content can also be organised.
